EXCITEMENT LAST NIGHT.—Alexandria was excited last night, and it was after midnight before a normal state of affairs existed. Early in the night several policemen were seen hurrying up King street. When they reached Washington street they hastened south on that thoroughfare and a report spread that a mob of negroes had surrounded Mr. Tobias Lacey's house and were endeavoring to burn it for the reason that he was at the station house when McCoy was taken out and lynched. Hundreds of white people double-quick to the scene, and it is believed the larger portion of them carried pistols. The excitement reached the fever heat in a few minutes, and excited men were running to and fro on King street circulating all sorts of rumors. The Mayor ordered all the available policeman to the southern end of the city for the purpose of preserving the peace. About this time the Alexandria Light Infantry proceeded up King street, headed by the Drum Corps, for the purpose of attending the fair, and those who did not know their objective point jumped at the conclusion that a general riot was in progress and that the company was to assist the police in preserving order. Negroes were doing considerable talking, and some of their criticisms of Thursday night's proceedings were calculated to foment trouble. It is believed that nearly one thousand people repaired to the extreme southern end of Washington street determined to protect Mr. Lacey and his family should any hostile movement be made on the part of the blacks, but upon examination it was seen that the reports which had been circulated in the city had no foundation and had originated from a statement that a colored man had been seen in Mr. Lacey's yard. It was reported that Lacey and some of his neighbors who had had McCoy arrested had received threatening letters from some negroes, and in order to forestall any trouble the Mayor had a sufficient number of officers in the neighborhood during the night to afford protection. There was no further trouble. While the above excitement was in progress a telegram was received at the station house from Sheriff Gordon of Fairfax county asking if the authorities here were aware of any proposed attempt on the part of a mob from this city or neighborhood to lynch the negro Lewis, now in jail at the court house for assaulting Mrs. Reidel. A rumor had been circulated here to the effect that a body of men from lower Fairfax were contemplating such a thing, and this was communicated to Sheriff Gordon. Later it was reported that Sheriff Gordon would bring the negro to this city for safekeeping, and this caused a crowd to assemble in the neighborhood of the Southern Railway depot. The Light Infantry about nine o'clock returned to their barracks, and it was generally supposed that they had been ordered from the fair ground and placed under orders. Mayor Thompson was at the armory when they returned, and he had an immediate consultation with Captain Bryan and directed him to hold his company in readiness for orders. The streets were swarming with people and the neighborhood of the armory was packed. All sorts of rumors were in the air, and the greatest curiosity was manifested to find out what was going on. The Mayor and Commonwealth's Attorney Marbury kept up a telephonic communication with Fairfax Courthouse for some time, but the information received was vague, although it was certain Lewis was not to be brought here on a train. It seemed as though the Fairfax authorities were determined that there should be no re-enactment of Thursday night's scenes. Shortly before eleven o'clock, the Mayor being satisfied Lewis would not be brought here, dismissed the Light Infantry. The streets were alive with people an hour later, but about one o'clock a normal state of affairs set in.

THURSDAY NIGHT'S LYNCHING.—The jury in the coroner's inquest held last night at Mr. Demaine's undertaking establishment over the body of Joseph H. McCoy, the negro who was lynched for assaulting the three little daughters of K. A. Lacey, found that the deceased had come to his death by strangulation at the hands of a person or persons unknown. The verdict also stated that

from the evidence brought before them the jury were convinced that the police in charge of the station had done all that was possible to keep him out of the hands of the mob. Coroner Purvis conducted the inquest. Commonwealth's Attorney Leonard Marbury was present, and closely interrogated the witnesses to see if evidence could be elicited upon which any person or persons could be held for complicity in the lynching. About a dozen witnesses of the affair were examined, but they were all unanimous in testifying that they did not recognize any one in the mob. All the evidence also tended to show that the police had exerted themselves to the utmost to protect the prisoner. The jury consisted of Louis Brill, foreman; C. J. W. Summers, Julius Dienelt, Charles Smith, E. Warfield, Jr., and W. L. Allen. The inquest began at 7 o'clock. Dr. William M. Smith testified to having performed an autopsy on McCoy. His death had resulted from strangulation. There was a burn on his face as if from gunpowder and it was considerably swollen. There was a large open wound just above his forehead and a contusion on the back of his head. Witness had cut away the flesh from the skull and found no fractures beneath these injuries. There were also three gunshot wounds on the left side of the breast. None of these wounds was sufficient to cause death.

Dr. Snowden, who performed the autopsy with Dr. Smith, gave substantially the same evidence. He further said that he had found evidence of a contagious disease on the victim. McCoy's neck was not broken.

Lieut. Smith, who commanded the squad of police, testified to the facts as published in the GAZETTE yesterday. Policeman Lyles was one of the officers detailed for duty in the station house Thursday night. In answer to a question he said that he thought a large number of persons in the crowd which made the attack were strangers in Alexandria.

Several other witnesses were examined, but they threw no additional light on the case.

The body of McCoy was this evening at 3 o'clock taken to Penny Hill cemetery by Mr. Demaine, at whose undertaking establishment it had been since yesterday morning, and was quietly interred. No claim was made by any of the man's friends for the body. An aunt of McCoy called at Mr. Demaine's and after looking at the body said, "As the people killed him they will have to bury him."

LEWIS IN LEESBURG.—James Lewis, colored, indicted for an assault on old Mrs. Reidel, was taken from the Fairfax jail last night by Sheriff Gordon and was this morning conveyed to Leesburg for safe keeping. Sheriff Gordon was notified by the authorities in this city and by citizens of Fairfax that an attempt would probably be made to lynch Lewis. With a guard he took Lewis from the jail last night and started across the country in the direction of Leesburg. The party remained near Herndon all night and this morning took the train for Leesburg which town they reached without incident and lodged their prisoner in jail. Lewis will be brought back to Fairfax on Monday in time for his trial which will begin in the County Court there that day.

A telephone message received at the office from Fairfax says that the cause of the removal of Lewis was a report that a lynching party from Alexandria was coming there.

PERSONAL.—Rev. and Mrs. John D. La Motte had as their Easter holiday guests at the rectory in Hamilton, the Misses Ramsay, of Alexandria, and Messrs. E. R. Carter and Caldwell McByrde of the Theological Seminary.—[Loudoun Enterprise.]

Mrs. Lillian Smith Franck, of Wilmington, N. C., formerly of this city, is visiting her mother, Mrs. Wm. A. Smith, on south Washington street.

On his arrival here Rev. J. E. Thacker or will be tendered a reception by the congregation of the Second Presbyterian Church.

Mrs. W. A. Smoot most charmingly entertained the ladies of the Grand Division of the Daughters of the Confederacy of Virginia at her home, Colross, yesterday evening at a tea, and last night the ladies were also very handsomely entertained by Mrs. R. W. Hunter, vice president, U. D. C. of Virginia, at her home on Prince street.

Misses Boda and Estelle Leebbridge, of Orange, N. J., who have been visiting Mrs. Watkins in West End, have returned to their homes.

K. of P. Fair.—A large crowd attended the fair last night. The Alexandria Light Infantry, under command of Capt. Bryan, was present and drilled for a short time. The A. L. I. was welcomed by Capt. E. R. Boyer, of Rathbone Company. Capt. Bryan responded. Excellent music is furnished nightly.

The vote stands as follows:
Silver Tea Set—Miss Maggie Beach 5, Mrs. Curly 12.

Jr. O. U. A. M. Ring—Frank Elliott 5, E. D. Sopher 11, John Griffith, Oliver Posey 7, F. H. Hays, 5, Frank Warner 5, Umbrell 6, R. Merchant 5, G. Woodfield, 6, K. Travers 5, Taylor Rudd 15, Ed. Meade 6.

Baseball Outfit—Rose Buds 10, Evening Stars 5, West End 12.

Uniform—D. M. Kidwell 5, John Belomy 15, Wm. Schafer 5, C. A. Eward 20, K. of P. Chalm 5, J. M. Wells 83, T. N. Eddy 5.

Sugar Bowl—Miss Carrie Welker 6, Miss Mamie Brown 5, Miss H. Lanford 6, Miss Turner 3.

The polls will close at ten o'clock to-night. Each candidate will be entitled to one representative.

POLICE COURT.—The following cases were disposed of this morning:
Wm. Johnson, colored, arrested by Officer Lyles charged with stealing clothing from Wm. Green, was held for the action of the Fairfax authorities.

Wm. Douglass, colored, arrested by Officer Ferguson charged with being drunk and disorderly, was fined \$2.50 and in default of payment was sent to jail.

Mary Lee, Mary Sims and Henry Hammond, all colored, arrested by Officers Sherwood and Young for drunken and disorderly conduct, were fined \$5 each.

Col' or Park Agnew has given his official bond with the Fidelity and Deposit Company, of Baltimore, as surety. Amount of bond \$115,000.

GRAND DIVISION, DAUGHTERS OF THE CONFEDERACY IN VIRGINIA.—An extra session of the Grand Division was held at Lee Camp Hall, on Friday morning, to hear the chapter reports that did not arrive in time for Thursday's meeting, owing to the unexpected absence of the recording secretary. These reports, from 26 of the chapters, gave a most interesting account of the work done by the various chapters, in helping needy Confederates and their families, making donations to build monuments and to other Confederate charities, and in collecting historical records of the war. The president's report, read yesterday, shows that great enthusiasm and harmony prevail in the Grand Division, and that every chapter is in fine working order and doing much good throughout Virginia. When election of officers was in order, Mrs. Garnett tendered her resignation, that the chapters might be free to elect a president in the State, if they preferred, as she now resides in Baltimore. The resignation was declined, and she was re-elected by acclamation, twenty-five chapters having previously sent their votes that "no change be made in the presidency." Mrs. Garnett said that it was her great desire to have Mrs. General Stuart as President of the Grand Division, and to see the whole of Virginia united, with Mrs. Stuart at the head, and that all would be done to relieve her of the cares incident to the position. Mrs. Stuart gave her reasons why she was unable to accept such a position—her school duties occupying her whole time. The correct list of officers for the year is as follows: President, Mrs. James Mercer Garnett; 1st Vice President, Mrs. General J. E. B. Stuart; 2nd Vice President, Mrs. V. Randolph, Richmond; 3rd Vice President, Mrs. Robert T. Meade, Petersburg; Treasurer, Mrs. A. D. Estell, Lexington; Corresponding Secretary, Mrs. Virginia Hall, Richmond; Recording Secretary, Mrs. J. W. Brown, Hampton; Inspector, Mrs. J. H. Barney, Fredericksburg; Assistant Inspector, Mrs. Geo. W. Nelms, Newport News. This meeting was the annual session of the Grand Division, and not one to confer on the subject of uniting the Virginia Division and the Grand Division, as seems to be the impression in Alexandria. It is the earnest wish of the latter that this will be done, and their invitation given 15 months ago to the Virginia Division to unite with the Grand Division, retaining its full allegiance to the united society at the same time, is cordially renewed, with hearty thanks for the charming hospitality extended by Alexandria to the Grand Division, which is deeply appreciated by it. A committee was appointed from the Grand Division to confer with that of the U. D. C. committee, as requested by the latter, to report at the next meeting of the United Daughters next fall in Baltimore.

PROPERTY SALES.—O'Neal, Lunt & Strauss to day sold for Messrs. Armstrong and Caton, commissioners, a tenement and lot of ground situated on the south side of Duke between Alfred and Patrick streets, to J. E. Chesser for \$1,000. R. F. The property was bought in for \$550.

C. M. Belton has sold to Robert Elliott a house and lot on the south side of Commerce between West and Peyton streets, and Mr. Elliott has conveyed the same property to Rose Morgan.

THE A. L. I.—The Alexandria Light Infantry expect to leave here to-morrow for their trip to New York to take part on Tuesday in the Grand monument parade. The Mayor and Captain Bryan have been in consultation to-day, and the latter told the Mayor that he has been gotten out to go to New York with his company, and as that consent had not been withdrawn, he would go unless the Mayor thought that the company had best remain here. Mayor Thompson told Captain Bryan that he would let him know to-night what course he should best pursue, but as the excitement incident to the recent lynching has subsided it is more than probable that the company will make the trip.

FRATERNAL VISIT.—The Epworth League of Epworth Church, Washington, last night, paid a fraternal visit to the Epworth League of the M. E. Church South, of this city. The visitors were welcomed in an appropriate address by Mr. S. E. Lindsey, president of the Alexandria League. Mr. Frederick Woodward, of Washington, made an address on the working of leagues. An interesting musical and literary programme was rendered and the meeting was closed with remarks by Rev. J. T. Williams. After the meeting refreshments were served.

NO REWARD.—The Richmond State of yesterday evening said: "Up to 2 o'clock this afternoon Governor O'Ferrall had issued no order offering a reward for the arrest of the parties who lynched the negro at Alexandria early this morning. It is believed that he will issue such an order and that its promulgation will take place during the next 24 hours."

Should the Governor offer even a moderate reward and arrests should follow, he could bankrupt the State treasury, for over 500 men were engaged in the lynching. It is quite certain, however, that no arrests will be made.

EVERYBODY wants something. Let's take dry goods for a starter. You may have it in your mind to buy a silk dress, or possibly you have ideas for wash goods, white goods, or embroideries and laces.
